Comments

About a 1.5 hour drive from Ashland, so a hike best coordinated with the Casey State Park walk. A challenge hike with more trails nearby to explore. Not far from Crater Lake, which will also be sanctioned for a walk this year. The 5km option can be done by arranging a drop off at the trail intersection on Abbott Creek Rd and walking back to the Natural Bridge parking lot or walk from the Natural Bridge parking lot to the turnaround at Abbott Creek Rd and arrange for a pick up there. Challenges: Forests, Mountains, Nature, Landmark, Waterway.
